SLOVENIA: CAR TOURS AND WALKS (PAPERBACK)

To get **Slovenia: Car Tours and Walks (Paperback)** eBook, you should refer to the link below and download the file or have access to additional information which are related to SLOVENIA: CAR TOURS AND WALKS (PAPERBACK) book.

Sunflower Books, United Kingdom, 2016. Paperback. Condition: New. 4th New edition. Language: English . Brand New Book. Small is beautiful certainly applies to Slovenia, which is only half the size of Switzerland. With a population of just two million, the landscape is still essentially rural. Amongst these industrious people one senses an orderly contentment and a feeling that everything is in tune with nature. Tour Slovenia by car or on foot; the opportunities are endless----- The jagged snow-capped peaks of the Julian Alps contrast with fertile valleys, full of colour and activity. Porous limestone rock has created the karst landscape; typical features can be seen everywhere and are exciting to explore - from underground rivers emerging as cascading waterfalls to narrow gorges, caves and rock arches. The mountain valleys are immaculate, with strips of vegetables and corn amidst the hayfields and orchards. There are hop-growing areas and beautiful vineyards.----- This guide covers the entire country except for the very northeast and southeast; however, there is an emphasis on the Julian Alps.- ----- 6 car tours (with accompanying touring map and larger-scale map of the Julian Alps), 60 long and short walks (illustrated with 1:50,000 topo maps), 25 picnic suggestions. Free online update service with specific route change information on the publisher s website, maintained daily.----- The Landscapes series, with 50 destinations, has been dubbed the blue Bibles by the Sunday Times and led to Sunflower being one of only four publishers (from a field of 18) chosen as a Which? Recommended Provider of Guidebooks.
