### ***Reviews***

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## A SECOND COMING: [BIRTH OF THE POET] A MEMOIR (PAPERBACK)

iUniverse, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A terrifying descent into madness, the first fearful steps on the path to recovery, this uncompromising memoir captures all the urgent and hypnotic tension of a commercial thriller. A Second Coming -the companion volume to Swartz s great long-poem The Will to Christ -is a probing investigation of the unconscious and metaphysical wellsprings of a singular poetic gift. And yet it is more. This story is without question the most accurate portrayal to date of the largely uncharted regions of schizophrenia, a compelling and solitary journey into yogic meditation and a massive abuse of cannabis non-indica. Swartz s manic delusion was the very overthrow of God and cleansing of the evolutionary process. After a twelve-day descent into terror, strapped to a hospital gurney, he emerges to an uncertain future and the realization that his whole experience was neither reality, nor, even more strangely, anything approaching fantasy.
