

Why Everything You Know is WRONG! (Paperback)

By Tom Jackson

Shelter Harbor Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Think you know it all? Of course you do! But there are a multitude of so-called facts that are nothing more than myths. For instance: Carrots improve your vision. Even though you've never seen a rabbit with glasses, this little tidbit is actually a trick played by the Royal Air Force in World War II. This book debunks many things we think are true but actually have no basis in fact. It also includes a bunch of weird but true stuff along the way such as: ☿ Lightning never strikes twice in the same place. ☿ Lemmings commit mass suicide. ☿ Using a cell phone at a gas station could cause a fire. ☿ Sugar makes kids hyperactive. And, as a special bonus, included are WRONG stickers that can be used to clarify things for your all-knowing friends and loved ones. Just because everyone thinks so doesn't mean it is true!.
