iUniverse, United States, 2010. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Images of New Orleans's historic French Quarter evoke wrought iron gates, flowers hanging from second-story porches, and age-old romance. But hidden from the romantic and joyful jubilations of Mardi Gras, the darkness of an empty alley can inspire remembrance of things past-dreams within dreams, as Edgar Allan Poe might say. French Quarter Cantos: A Poelage is a collection of verse from a poet who has walked down the dark alleys of New Orleans, discovering a visceral connection to the city and, ultimately, artistic inspiration. Author Genaro Jesse Perez uses powerful imagery, expressing strong emotions and memories, both bitter and sweet, in this fond ode to a beautiful and troubled city in the American south. Read about the epic inevitability of mortality in Dolores and Just a Little Kiss. See through the false faces of holier-than-thou academics in Face Dancers. And bitterness and regret rule Award for Long Service. Poe was never afraid of the darkness; neither is Perez. Delve into the abyss of New Orleans, despite the foreboding atmosphere. See, smell, taste, and touch a bit of Creole life.
