

Cracking the Cult Code for Therapists: What Every Cult Victim Wants Their Therapist to Know (Paperback)

By Bonnie Ziemann

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.People who have been subjected to manipulation, isolation and thought control in cults and who work up the courage to leave, do so with many psychological and emotional wounds. Many of them seek out therapy to help recover from the damaging after-effects. Unfortunately, cult victims often report that therapists just do not seem to get all that they endured in the cult, and all the challenges they face now out of the cult. In fact, many cult victims abandon therapy, feeling that their therapist just did not understand the the degree to which they had been controlled, repressed, exploited and abused. Many recount that they felt their experience seemed to be discounted as something they just needed to put behind them. Due to the advent of the Internet and the easy access to information it provides, more and more cult members are discovering just how much they have been deceived, coerced and abused. As they make their exit from high-control groups, extremist religions and cults, a whole new psychotherapy client population is looking for help to recover their emotional well-being, intellectual independence...
