

Siberian Exile: Blood, War, and a Granddaughter s Reckoning (Hardback)

Filesize: 8.35 MB

Reviews

The ebook is simple in go through preferable to comprehend. Better then never, though i am quite late in start reading this one. Its been printed in an exceptionally simple way and it is simply right after i finished reading through this pdf in which in fact altered me, affect the way i believe.

(Prof. Corbin Hill)

SIBERIAN EXILE: BLOOD, WAR, AND A GRANDDAUGHTER S RECKONING (HARDBACK)

University of Nebraska Press, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. When Julija Sukys was a child, her paternal grandfather, Anthony, rarely smiled, and her grandmother, Ona, spoke only in her native Lithuanian. But they still taught Sukys her family s story: that of a proud people forced from their homeland when the soldiers came. In mid-June 1941, three Red Army soldiers arrested Ona, forced her onto a cattle car, and sent her east to Siberia, where she spent seventeen years separated from her children and husband, working on a collective farm. The family story maintained that it was all a mistake. Anthony, whose name was on Stalin s list of enemies of the people, was accused of being a known and decorated anti-Bolshevik and Lithuanian nationalist. Some seventy years after these events, Sukys sat down to write about her grandparents and their survival of a twenty-five-year forced separation and subsequent reunion. Piecing the story together from letters, oral histories, audio recordings, and KGB documents, her research soon revealed a Holocaust-era secret-a family connection to the killing of seven hundred Jews in a small Lithuanian border town. According to KGB documents, the man in charge when those massacres took place was Anthony, Ona s husband. In *Siberian Exile* Sukys weaves together the two narratives: the story of Ona, noble exile and innocent victim, and that of Anthony, accused war criminal. She examines the stories that communities tell themselves and considers what happens when the stories we ve been told all our lives suddenly and irrevocably change, and how forgiveness or grace operate across generations and across the barriers of life and death.
