The Compromise Trap: How to Thrive at Work without Selling Your Soul: How to Thrive at Work without Selling Your Soul (Paperback)

By Elizabeth Doty

BERRETT-KOEHLER, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Healthy compromise is necessary for accomplishing any meaningful goal with other people. But when your job presses you to betray your word, your principles, or other important commitments, it becomes profoundly unhealthy and deeply stressful. And it can happen even while working for an organization or leader you otherwise respect and admire. Elizabeth Doty offers the antidote: redefining the game. When you feel pressured to play by rules that undermine your integrity, Doty shows how you can tap into six personal foundations that will allow you to stay true to your deepest values and aspirations. Through more than fifty vivid firsthand accounts of compromise and courage in business, she provides guidance for anyone at any organizational level who wants to act with greater clarity, strength, and purpose, as well as for senior leaders striving to lead organizations that allow people to remain true to themselves. The Compromise Trap details a strategy that enables you to remain a positive force--for yourself and whatever you define as the greater good--no matter how difficult the circumstances.
