Random House USA Inc, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. In *Be Different*, New York Times bestselling author of *Look Me in the Eye* shares a new batch of endearing stories about his childhood, adolescence, and young adult years, giving the reader a rare window into the Autistic mind. In his bestselling memoir, *Look Me in the Eye*, John Elder Robison described growing up with Autism Spectrum Disorder at a time when the diagnosis didn't exist. In each story, he offers practical advice for anyone who feels -different- on how to improve the weak communication and social skills that keep so many people from taking full advantage of their often remarkable gifts. With his trademark honesty and unapologetic eccentricity, Robison addresses questions like: - How to read others and follow their behaviors when in uncertain social situations - Why manners matter - How to harness your powers of concentration to master difficult skills - How to deal with bullies - When to make an effort to fit in, and when to embrace eccentricity - How to identify special gifts and use them to your advantage Every person has something unique to offer the world, and every person has the capacity to create strong, loving bonds with their friends and family. *Be Different* will help readers and those they love find...
