We encourage adults to share this book with kids they suspect of being bullies. According to our experience in dealing with bullies, most of them come from dysfunctional homes, in which their parents have failed to teach them the core values that would enable them to become kind and respectful citizens in our society. What we have learned is that if a caring adult takes the time to share Christian Values with a child, the majority of bullying behaviors will almost immediately disappear. This devotional book is designed for parents and educators who want to ensure that their kids are instilled with Godly Christian values. We firmly believe that the values taught in this book will enable children to make Godly choices, and inspire them to become all that God wants them to be.
