## Water in the 21st-Century West: A High Country News Reader (Paperback)

By Char Miller

Oregon State University, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Water in the 21st-Century West offers a timely look at the central issue facing the American West the region s diminishing water supply. It collects the best reporting on the subject, drawn from the pages of High Country News, the newspaper that sets the standard for coverage of environmental issues in the West. This book provides compelling perspectives on the water issues and controversies that roil the region, from the Pacific Northwest to the Great Plains, from the interior mountains to the southwestern deserts. The book s contributors, mong them activists, scholars, scientists, and many of the nation s finest environmental journalists offer hardhitting analyses of regional dilemmas, including the unpredictable impact of climate change; intense debates over decommissioning dams; emerging Native American water power; toxic threats to groundwater quality; and the escalating urban demands for water in Los Angeles, Las Vegas, Denver, Salt Lake City, and the Bay Area. Water in the 21st-Century West captures the range and nature of the arguments that have defined water politics in the region over the past decade. The collection probes the issues and explores creative attempts to find...

### Reviews

*An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Dominic Collins**

*This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.*

-- **Stefan Von**
