

A Year In The Maine Woods

By Bernd Heinrich

Da Capo Press. Paperback. Condition: New. 272 pages. Dimensions: 9.1in. x 6.1in. x 0.9in. Escapist fantasies usually involve the open road, but Bernd Heinrich's dream was to focus on the riches of one small place a few green acres along Alder Brook just east of the Presidential Mountains. The year begins as he settles into a cabin with no running water and no electricity, built of hand-cut logs he dragged out of the woods with a team of oxen. There, alone except for his pet raven, Jack, he rediscovers the meaning of peace and quiet and harmony with nature of days spent not filling out forms, but tracking deer, or listening to the sound of a moth's wings. Throughout this year when the subtle matters and the spectacular distract, Heinrich brings us back to the drama in small things, when life is lived consciously. His story is that of a man rediscovering what it means to be alive. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely read through again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which it actually altered me, changed the way in my opinion.

Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.
