Taylor Trade Publishing, United States, 2014. Paperback. Condition: New. Second Edition. Language: English . Brand New Book. World War II was the defining event of the twentieth century. For everyone it was a time of confusion, fear, destruction, and death on a scale never before seen. Much has been written of the generals, campaigns, and battles of the war, but it was young, ordinary American kids who held our freedom in their hands as they fought for liberty across the globe. Forgotten Heroes of World War II offers a personal understanding of what was demanded of these young heroes through the stories of rank-and-file individuals who served in the navy, marines, army, air corps, and merchant marine in all theaters of the war.
