Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Francois the Waif The Chemin aux Napas, which probably none of you, my dear readers, will ever see, as it leads to nothing that can repay you for the trouble of passing through so much mire, is a break-neck path, skirting along a ditch where, in the muddy water, grow the most beautiful nymphaem in the world, more fragrant than lilies, whiter than camellias, purer than the ves ture of virgins, in the midst of the lizards and other reptiles that crawl about the mud and ?owers, while the kingfisher darts like living lightning along the banks, and skims with a fiery track the rank and luxuriant vegetation of the sewer. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
