

Pillar of Stories (Paperback)

By John Mooers

Riverrun, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Pillar of Stories is an eclectic collection of short stories with a wide range of appeal. It runs from the literary (A Cup of Tea) to horror (Room 210); travel (Turoe Stone) to humor (My Wife Named It). The different stories chronicle the various stages in life. There are stories of childhood awakening (The Secret, Bird Call) as well as the inevitable acceptance of death (Tree Songs). They are attempts to touch, to understand, what always seems just beyond our reach. Written over a lifetime and never before published the stories are told in different voice and written in different styles and each touch provides new and fresh insights into the human heart.
