Dog Ear Publishing, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Learning and sharing continue to be a fulfilling part of my life. I have taught in elementary and high schools. As a professor of Communication in the University System of New Hampshire, I had the opportunity of initiating a program of international education for college students as well as international teacher exchanges. Through years of international service I had the privilege of meeting and working with children, parents, a number of community leaders and educators in England, Italy, South Africa, New Zealand, Mexico, Nepal, Turkey, Switzerland as well as the United States. The universal themes of Tara s Tales are the result of learning and sharing with people throughout the world. - Tara Stuart I am a graphic designer/illustrator, i have an Associates Degree in Art, from the Art Institute of Atlanta, Atlanta GA. My responsibilities have been and not limited to: producing high-end marketing communications material via design primarily executed through the use of software such as Photoshop, Illustrator, Freehand, Quark Express and InDesign. Today I supervise a talented group of professional designers for a Medical Company based around the world. I loved working with Tara on this an many other fables, and would suggest you read all of her works. -Philip Thomsen A book publisher s daughter, surrounded by dictionary, atlas, encyclopedia, globe and telescope, I found answers to the truths readily attainable. In 1924, renowned puppeteer, originator of the Macy Parade Balloons authored Tony Sarg s Book for Children Six to Sixty, published by...
