

A Killer Maize

By Paige Shelton

Berkley Books, United States, 2012. Paperback. Book Condition: New. 170 x 106 mm. Language: English . Brand New Book. Becca Robbins is selling her farm-made jams and preserves at a county fair where business is not the only thing that's dead. The last person Becca expects to run into at the Swayton County Fall Festival is her ex-husband, Scott Triplett, who's operating a shooting gallery. Honesty was not always Scott's policy, and their unexpected reunion is further complicated when the festival becomes a crime scene. On Becca's second day there, Ferris wheel operator Virgil Morrison is found hanging from his rickety ride, dead from a gunshot. As Becca starts to notice Scott suspiciously sneaking around the fairgrounds, she begins to worry her ex may be involved in the murder. Then there's the shadow she sees in the creepy corn maze and rumors of a gypsy curse not to mention Virgil's mysterious spider tattoo. Now Becca must search through a labyrinth of lies, secrets, and superstition to find a kernel of truth before the killer starts stalking her.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
