Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

FIREFLY BOOKS LTD, Canada, 2012. Paperback. Condition: New. Language: English . Brand New Book. Duct tape has become a cultural phenomenon, one of those things that explodes in popularity as more and more people find that its creative possibilities for fun far exceed its practical uses. Everything from prom dresses to artistic shoe repair is now made from this magic tape and millions of people follow the latest designs and projects on the many websites devoted to duct tape. Duct tape was invented during World War II when the military needed a strong, waterproof tape that could be used for emergency repairs. Using surgical tape as a base the new invention soon became everybody's secret weapon. Duct tape got its common nickname Duck Tape because of its ability to repel water, like a duck's back. This book contains 28 fascinating, original new projects - some useful, all fun to do - that are sure to capture the attention of duct tape artists everywhere. Easy to follow instructions and colour photographs combine to guide anyone to producing unique and useful duct tape projects, including: - Bike pannier: customize your ride. - Waistcoat: look great in tape. - Handbag: unique, fashionable carryall. - Piggy bank: stick your money away. - Wallet: personalized ID holder. - Bow ties: fun with formal or formal turned fun. - Picture frames: reframe your memories. - Knapsack: personalize your pack. - skirt and chaps. - tissue box. - plus many seasonal projects and decorations. Join the fun! A few minutes spent with this book will help you master the sticky stuff and get on your way to being part of one of the most exciting and creative trends of the decade.
