Reviews

These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.
(Dr. Porter Mitchell)

THE FEDERALISM, LIBERTY, AND THE LAW (PAPERBACK)

Liberty Fund Inc, United States, 2001. Paperback. Condition: New. Volume 18 ed.. Language: English . Brand New Book. As diverse as the papers presented in this volume may seem at first glance, all of them touch on two characteristic themes of James Buchanan s work: the respect for individual sovereignty and the threat of monopoly power on the rights of the individual. In his foreword, Hartmut Kliemt says, As opposed to more extreme and more utopian libertarians, [Buchanan] well understands that in our world it takes a state to defend the individual from the state. Buchanan, therefore, is not an anarchist but, rather, what may be called a reluctant anarchist who accepts both that the state is the greatest threat to individual sovereignty and that without some statelike monopoly, individual sovereignty cannot be protected. The twenty-six essays included in Federalism, Liberty, and the Law are grouped into these categories: The Analytics of FederalismFederalism and FreedomLiberty, Man, and the StateThe Constitution of MarketsEconomists, Efficiency, and the LawLaw, Money, and CrimeThe central issue that unites the pieces in this volume is monopoly power and its control. As a libertarian, Buchanan sees government as the greatest threat--and also the greatest protector--of individual liberties. James M. Buchanan (1919-2013) was an eminent economist who won the Alfred Nobel Memorial Prize in Economic Sciences in 1986 and was considered one of the greatest scholars of liberty in the twentieth century.
