Grove Press / Atlantic Monthly Press. Paperback / softback. Book Condition: new. BRAND NEW, The Hole We're in, Gabrielle Zevin, With "The Hole We re In" a bold, timeless, yet all too timely novel about a troubled American family navigating an even more troubled America award-winning author and screenwriter, Gabrielle Zevin, delivers a work that places her in the ranks of our shrewdest social observers and top literary talents. Meet the Pomeroy: a church-going family living in a too-red house in a Texas college town. Roger, the patriarch, has impulsively gone back to school, only to find his future ambitions at odds with the temptations of the present. His wife, Georgia, tries to keep things afloat at home, but she's been feeding the bill drawer with unopened envelopes for months and never manages to confront its swelling contents. In an attempt to climb out of the holes they've dug, Roger and Georgia make a series of choices that have catastrophic consequences for their three children especially for Patsy, the youngest, who will spend most of her life fighting to overcome them. "The Hole We re In" shines a spotlight on some of the most relevant issues of today: over-reliance on credit, gender and class politics, and the war in Iraq. But it is Zevin's deft exploration of the fragile economy of family life that makes this a book for the ages."
