Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. About this Book A lifetime tinkerer lets you see some pages from his notebook so you can share the joy he finds in tinkering. His notes about his own tinkering tell how his family, friends and his environment encouraged and enabled him to tinker from his earliest days and onward through his working life. He describes the principles and practices that he and other tinkerers follow to ensure success. The notes include stories about all types of tinkerers, amateurs and professionals, boys and girls, men and women -- people who tinker alone or in teams. Tinkerers work (or play) with the objects around them. Some tinker when they have to fix something on their own. Some tinker by rearranging things for enjoyment, trying to make them work better, (e.g., recipes, computer apps, or model train sets). Others tinker with things to understand how they work and see what else they might be able to do with just a little bit of tinkering. Some do some serious tinkering with various sets of objects to create something totally new or different. Some tinkerers don t limit themselves to tinkering with physical objects, they tinker with ideas. These tinkerers hear or read about new ideas and they tinker with ways to combine them to see how they interact with each other. We have a new term for tinkering with ideas. We call that thinkering and the basic principles of tinkering apply. There are several intriguing examples of thinkering in the notes. These are the kinds of things tinkerers do. They all show up in the notes the author wants to share with you. You will see descriptions of several of individual tinkering...
