By Mary Arnold-Forster

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Studies in Dreams I have been asked by the dreamer of these dreams to add a foreword of my own. I do not know that I can add anything that will contribute to their interest, whether in the way of discussion, criticism or interpretation. The author of the book modestly makes no claim to be a scientific explorer but only to be a recorder of her own dream experiences, who has been impelled to stray a little beyond the province assigned and to attempt some partial explanation of the riddles that are met with. But the reader, I am sure, will find that she has scarcely done herself justice in this diffident attitude, for the accurate recording of observations accurately made is the basis of science and requires the development and possession of no common talent. Such observations are of much more scientific value than a number of inadequate theories - inadequate because based upon only a selected or limited group of facts. Moreover, these pages are rich in sound comments and discussions of the...
