Createspace Independent Publishing Platform, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is written from the standpoint of the words chosen as the key note for the year, Thy kingdom come; Thy will be done on earth. It recognizes the fact that the Kingdom cannot come to our land, or to the world unless all social conditions are drawn within its scope; it emphasizes the desire of Home Missions and the church to work toward this great end, and the recognition of their responsibility for its accomplishment. That this book may reveal the far-reaching potentialities of Home Missions as a dynamic force for reclaiming, educating, healing, and integrating our nation into a land over which the Christ shall reign and that from Him it shall also draw its ideals and its power, is the hope and the prayer of the author and the Council of Women for Home Missions.
