Hay House India, 2015. Softcover. Condition: New. First edition. An anti-soppy, hilarious, cancer-wrestling memoir on life and its side-effects. Can there be anything wonderful about being struck by cancer, twice? With a survival kit consisting of only humour and courage, Neelam Kumar brilliantly captures her struggle through the disease and shows how to kick adversity and come out smiling. Kumar recounts years of illness, betrayal, financial hardships, relationship breakdowns and the death of loved ones besides the obvious emotional and physical trauma that she battles with. A story both entertaining and profound, To Cancer, With Love increases our understanding of the disease and will leave you marvelling at the resilience of the human spirit. This book is an earnest attempt to help you triumph over anything life throws at you. An exclusive and unique interactive section will guide you through your personal challenges in a step-by-step and rational manner. Printed Pages: 208.
