Kensington Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. She s handling a bridezilla--and hunting a killer . . . Moving from Minnesota to Arizona was a big change for Sophie Phee Kimball. She s much closer to her mother s retirement community now--which can drive her a little crazy, but at least her mom, Harriet, has her book club and her chiweenie dog, Streetman, to keep her company. And now there s even more activity, with Aunt Ina s upcoming wedding. The seventy-four-year-old bride has roped Phee into working on the tent, the pastries, and even her headpiece in preparation for the ceremony. But it s Harriet who really gets demanding when a dead body turns up yards from her front door. Aunt Ina s fiance is acquainted with the victim--a local millionaire restaurateur murdered at the golf course. Working for a private investigator, Phee is drawn into the case--not just professionally but personally, since Harriet is in a panic about her safety. With a killer on the loose, Phee vows to figure out the plot--that is, if her side job as a wedding planner doesn t kill her first . . . Praise for J.C. Eaton Sophie Phee Kimball has a lot on her plate in this captivating whodunit, but this feisty, take-charge heroine is definitely up for the challenge. Fun characters, a touch of humor, and a great mystery, the perfect combination for a cozy. --Lena Gregory, author of the Bay Island Psychic Mysteries.
