Ebury Publishing, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. Middle-aged single mother and entertainment publicist Suzanne Portnoy leads a double life. Monday to Friday, she s a professional executive devoted to her two adolescent boys. But at weekends she spends her kid-free hours having sex, with a different man each time. Or multiple men. Picking up where her first book, *The Butcher, the Baker, the Candlestick Maker: An Erotic Memoir*, left off, this memoir finds Suzanne both confronting the consequences, and enjoying the fruits, of her notoriety as the bestselling author of an erotic memoir. From a coked-up rock star to an uptight millionaire, to a hunky stripper, Suzanne attracts plenty of men wherever she goes, particularly once they learn her identity. But just when Suzanne grows reconciled to the possibility of never settling down, she meets a man who wants to be more than one of her friends. While debating whether to unload her portfolio of men for the potential one true lover, this most unconventional woman ponders the most conventional question: has she found the fabled Mr Right or will he prove to be just another in a long string of Mr Wrongs?.
