Living With The King is a disciple-centric read that stresses the importance of building a relationship with Jesus Christ. It is crafted in the conversational tone of writing, directed by the Holy Spirit and influenced by authorial experiences. It includes a study section after each unit which allows for penned prayers, journaling, private devotions as well as group discussions. There are three exciting features of Living With The King. The first feature offers a wealth of noted scriptures to under gird a topic or thought. They are useful for reflection, referencing and research. The second feature encourages the reader to think critically by asking the author a question at the end of the Study Guide section. The question can be forwarded to the author via e-mail, her facebook or twitter pages which are on the Home page of the website, www. stephanniesolomon. The third feature consists of thirty-one days of affirmations; an excellent companion for fasting and prayer. Like its predecessor, Conversations With The King, this page turner highlights the endorsements of three reputable Christian leaders on its back cover. Truly, Living With The King is an asset to any home, office, church and community library as well as church and commercial bookstores. No ministry should be without it.
