

Keeley s Kures: Alternative Practices from the Trails and Trials of a World-Champion Hobo-Adventurer (Paperback)

By MR Bo Keeley

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This publication grew out of frustration with conventional medicine and a health system that dissuades natural, home treatments. The information sources, then, are not so awkward. The cures are used on myself, or informally on acquaintances. They are original, usually successful, and arise outside conventional medicine in veterinary clinics, American boxcars, and around the world in contracting and recovering from 65 of the diseases in the Merck Manual. I selected the world s common ailments and wrote uncommon Kures. A cheerful frame of mind, reinforced by options of alternative medicine, may heal and put the ghosts of fear of traditional doctors and hospitals on the run. The author and publisher are not physicians, take no responsibility for Kure outcomes, and disclaim that any medical treatment should not be supervised by a doctor.
