By Chris Cannon

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Nina Barnes thinks Valentine s Day should be optional. That way single people like her wouldn t be subjected to kissy Cupids all over the place. That is, until her mom moves them next door to the brooding hottie of Greenbrier High, West Smith. He s funny, looks amazing in a black leather jacket, and he s fluent in Harry Potter, but she s not sure he s boyfriend material. West isn t sure what to make of Nina. She s cute and loves to read as much as he does, but she seems to need to debate everything and she has a pathological insistence on telling the truth. And West doesn t exactly know how to handle that, since his entire life is a carefully constructed secret. Dating the girl next door could be a ton of fun, but only if Nina never finds out the truth about his home life. It s one secret that could bring them together or rip them apart.
