Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Latter-Day Saints Millennial Star, Vol. 79: February 8, 1917 Mormonism proclaims the possibility of eternal advancement within the several kingdoms provided in the hereafter and teaches that even repentance is possible beyond the grave. It utters solemn warning, however, against procrastination and wilful neglect here, holding that this life is strictly a probationary period given unto men for repentance and valiant service, and that to neglect is to lose the ability to repent. It repudiates what it regards as a strained and irrelevant exposition of a certain isolated passage from the Preacher of old: If the tree fall toward the south, or toward the north, in the place where the tree falleth. There it shall be (eccles. 11: This we do not believe was ever intended to mean that as a man is when he dies, so shall he be eternally; nor do we admit that the tenor of Holy Writ supports any such inference. Neglect, wilful procrastination, evil life here shall surely be a handicap to eternal progress; but however far behind his more faithful fellows a sinner may fall, he shall yet advance if he will but repent and try. Is it empty assumption to say that such doctrine as this, given to the world through the Book of Mormon in 1830, is more vital than the dogmas of never ending torment and eternal damnation?
