Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

WRONG ABOUT JAPAN (PAPERBACK)

FABER FABER, United Kingdom, 2005. Paperback. Condition: New. Main. Language: English . Brand New Book. In a stunning memoir-cum-travelogue Peter Carey charts this journey, inspired by Charley's passion for Japanese Manga and anime, and explores his own resulting re-evaluation of Japan. Although graphically violent and disturbing, the two mediums are both inherently concerned with Japan's rich history and heritage, and hold a huge popular appeal that crosses the generations. Led by their adolescent guide Takashi, an uncanny mix of generosity and derision, father and son look for the hidden puzzles and meanings, searching, often with comic results, for a greater understanding of these art forms, and for what they come to refer to as their own real Japan . From Manhattan to Tokyo, Commodore Perry to Godzilla, kabuki theatre to the post-war robot craze, Wrong about Japan is a fascinatingly personal, witty and moving exploration of two very different cultures.
