The definitive guide to technical analysis . . . written from a trader s perspective With the keen insight and perspective that have made him a market legend, Jack D. Schwager explores, explains, and examines the application of technical analysis in futures trading. In the most in-depth, comprehensive book available, the bestselling investment writer demonstrates why he is one of today s foremost authorities. Here is the one volume no trader should be without. Jack Schwager has accomplished the rarest of feats in this book. He has presented material in a way that both the professional and layman can profit from. It is a must read for traders on all levels. - Stanley Druckenmillern Managing Director, Soros Fund Management Jack Schwager s Technical Analysis is exactly what one should expect from this expert on futures. The book is comprehensive, thoroughly insightful, and highly educational. I recommend it to the beginner as well as the expert. - Leo Melamed Chairman, Sakura Dellsler, Inc. Jack Schwager possesses a remarkable ability to extract the important elements of complex, market-timing approaches, and distill that into something intelligible and useful. Not only is he able to present these ideas cleverly in an easily understood format, but he also demonstrates their application to the markets with clarity and precision. - Thomas R. DeMark Author, The New Science of Technical Analysis Jack Schwager s book, A Complete Guide to the Futures Markets, was one of the best books I have read on futures trading. We give a copy of it to all our new analysts. Jack s latest work, Technical Analysis, looks like a gold mine of information, adding significantly to the existing investment...
