Reviews

*I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

FORCE RECON COMMAN (PAPERBACK)

Random House USA Inc, United States, 1997. Paperback. Condition: New. Reissue. Language: English . Brand New Book. THE A SHAU VALLEYWHERE THE NVA WAS KING . . . In order to prevent surprise attacks on U.S. forces as they were pulling out of Vietnam, someone had to be able to pinpoint the NVA s movements. That dangerous job was the assignment of then-major Alex Lee and the Marines of the 3rd Force Reconnaissance Company when he assumed command in late 1969. They became the tip of the spear for Lt. Gen. Herman Nickerson s III MAF. And each time one of Lee s small, well-motivated, well-led, and wildly outnumbered teams was airlifted into the field, the men never knew if the day would end violently. But whether tracking NVA movements, recovering downed air crews, or making bomb-damage assessments after B-52 strikes, Major Lee s Few Good Men never forgot who they were: Each of them was in Vietnam to live like a Marine, win like a Marine, and, if need be, die like a Marine. Fortright and unabashed, Lieutenant Colonel Lee leaves no controversy untouched and no awe-inspiring tale untold in this gripping account of 3rd Force Recon s self-sacrifice and heroic achievement in the face of overwhelming odds.
