Amazon Publishing, United States, 2014. Paperback. Book Condition: New. 206 x 137 mm. Language: English . Brand New Book. RT Book Reviews Reviewers Choice Nominee From award-winning author Susannah Sandlin comes the fourth book in the smart and steamy Penton Legacy series. British vampire psychiatrist and former mercenary Cage Reynolds returns to Penton, Alabama, looking for a permanent home. The town has been ravaged by the ongoing vampire war and the shortage of untainted human blood, and now the vampires and humans that make up the Omega Force are trying to rebuild. Cage hopes to help the cause, put down roots in Penton, and resolve his relationship with Melissa Calvert. The last thing he expects is to find himself drawn to Robin Ashton, a trash-talking eagle shape-shifter and new Omega recruit. Meanwhile, as a dangerous saboteur wreaks havoc in Penton, the ruthless Vampire Tribunal leader Matthias Ludlam has been freed on the eve of his scheduled execution. But by whom? And to what end? As war and chaos rage on, love isn't something Cage is looking for, but will his attraction to Robin distract him from the danger living among them?.
