*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

## REMOTELY (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Remotely pokes fun at British reality television. There are more plays on words and double-entendres than a Carry On film or a seaside postcard. It had me smiling, giggling and laughing out loud - a real feel good story. Britain s newest and most pointless TV talent competition is coming to Middlestone-On-Sea. So You Think We re Remotely Interested? has taken Friday night viewers by storm as it streams live variety shows from remote, provincial theatres across Britain. The theatre with the most audience votes wins regeneration and revival, and lord knows, Middlestone-on-Sea needs both. The dying seaside backwater rests its hopes on the performance of two ex-best friends, gay Gary and straight Stag. The visiting celebrity judge, the mysterious and timeless Miss P, knows that for all to be well, they must mend their broken friendship. But there is no success without trial. She magically swaps Gary and Stag into each other s bodies. Secrets are learned, comedy ensues, and yet the community remains divided. Rifts must be healed, differences accepted, and bodies swapped back before the season grand finale in four days time otherwise Middlestone will lose everything. Once you start on James Collins coming of age, body-swap comedy, you won t be remotely interested in putting it down. G. J. Mugwatch MP Some Amazon reviews for James Collins Brilliantly observed and a wicket wit. Lots of laughs and loads of page turning moments. Yes, it was hard to put down. Another unputdownable book that had me engrossed from beginning to end, and chuckling. Finished this book yesterday and oh so amusing, would love to see it as a film. More, I want more! I truly could not put...
