Xlibris US, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The resurgence of Pentecostal, charismatic Christianity epitomized in the global South has thrown Catholicism back on itself, and has challenged it to reassess its ecclesial self-understanding. The Catholic Church has been accused of having forgotten the Spirit. Despite the progress made by the Catholic Church to redress this so-called pneumatological deficit, it nonetheless remains the case that Roman Catholicism and charismatic Christianity seems to be mutually exclusive. Why and how does the Roman Catholic Church today still lack a fully-developed pneumatological-charismatic ecclesiology? Catholicism and the Spirit sets out to address such questions, and argues that the Church must overcome its ultraconservatism and re-envision a robust Spirit-led ecclesiology to meet the demands of ecclesial renewal.
