Like Brier Rabbit in America, Anansi is a trickster figure - clever, cunning, and sometimes mischievous - who uses his wits to make up for what he lacks in size and strength. Tales by the fireside, also known as Anansesem are special epic bedtimes stories, which were told during the evening by an elderly person in the family or in the village. These were stories that have good morals, ditties and funny inclinations of educating the young ones of a special character called Kwaku Anansi. This story tells us about how Kwaku Anansi took an advantage over his friends with a spell casted by an old witch.
