Arbordale Publishing, United States, 2010. Paperback. Book Condition: New. Christina Wald (illustrator). 249 x 213 mm. Language: English . Brand New Book. Red bats are the only bat species that can hibernate or migrate. Should this solitary little bat stay or should she go? That s the question the little red bat ponders as the leaves fall and the nights get colder! The squirrel tells her to stay. But what about the dangerous creatures that hunt red bats in winter? The sparrow urges her to go. But where? Carole Gerber takes young readers on an educational journey through one bat s seasonal dilemma in Little Red Bat. Imaginative illustrations by Christina Wald give little red bat charm and personality, and children will be wondering what will happen next. Will the little red bat stay put or migrate south for safety and warmth? The For Creative Minds educational section includes: Match the Bat Adaptation, Bat Fun Facts, How Animals Deal with Seasonal Changes, Red Bats and Seasonal Change, and Bat Life Cycle Sequencing Activity. Additional teaching activities and interactive quizzes are available at the Sylvan Dell Publishing website.
