Collector Bookstore Notes: This collector's title covers the British Enfield No. 1 Rifle (SMLE, Mk1, MKIII, Short Magazine Lee Enfield), with an emphasis in dating and identification. Also includes accoutrements, cleaning tools, bayonets issued and more. Publishers Description: The British Enfield No.1 Rifle (Mk I through Ishapore 2A/2A1) is not only one of the world's finest battle rifles, but also one of the longest serving from Africa's colonial wars through World Wars I and II and Korea to the conflicts of the Middle East. The British Tommy and the troops of the former British Commonwealth counted on their Short Magazine Lee-Enfields for nearly 90 years, and many are still in use today. Skip Stratton, who maintains the Enfield Rifle Research Internet web site and is a collector of long standing, has written a superb book that provides a well-organized, detailed look from the collector's perspective at this fine rifle series. Dozens of charts and illustrations take you through seven manufacturers on three continents and...
