Instructions for Observing the Total Solar Eclipse of July 29, 1878 (Classic Reprint)

By United States Naval Observatory

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 42 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Excerpt from Instructions for Observing the Total Solar Eclipse of July 29, 1878. The following suggestions are intended to direct the attention of persons who may witness the total solar eclipse of July 29, and who may desire to co-operate with the United States Naval Observatory, to some of the phenomena which, in the present state of science, it is most desirable should be carefully observed on that occasion. In writing these suggestions, much assistance has been derived from the instructions issued to the government eclipse expeditions sent out by various nations during the last ten years; and free use has also been made of the reports of these expeditions. Reviews

Absolutely essential go through publication. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of the time (that's what catalogues are for regarding if you ask me).

-- Ambrose Thompson II

This ebook is so gripping and intriguing. Better then never, though i am quite late in start reading this one. You wont really feel monotony at whenever you want of your own time (that's what catalogues are for about in the event you check with me).

-- Ian Wisoky
