Lee Boudreaux Books. Hardcover. Condition: New. 368 pages. Five women. One question. What is a woman for In this ferociously imaginative novel, abortion is once again illegal in America, in-vitro fertilization is banned, and the Personhood Amendment grants rights of life, liberty, and property to every embryo. In a small Oregon fishing town, five very different women navigate these new barriers alongside age-old questions surrounding motherhood, identity, and freedom. Ro, a single high-school teacher, is trying to have a baby on her own, while also writing a biography of Eivr, a little-known 19th-century female polar explorer. Susan is a frustrated mother of two, trapped in a crumbling marriage. Mattie is the adopted daughter of doting parents and one of Ros best students, who finds herself pregnant with nowhere to turn. And Gin is the gifted, forest-dwelling homeopath, or mender, who brings all their fates together when shes arrested and put on trial in a frenzied modern-day witch hunt. RED CLOCKS is at once a riveting drama, whose mysteries unfold with magnetic energy, and a shattering novel of ideas. In the vein of Margaret Atwood and Eileen Myles, Leni Zumas fearlessly explores the contours of female experience, evoking THE HANDMAIDS TALE for a new millennium. This is a story of resilience, transformation, and hope in tumultuous-even frightening-times. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
