Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Parmi ces legendes, il en est une qui a pour nous un interet particulier: c est celle des voyages d Enee et de son arrivee en Italie. Elle a inspire un grand poete, elle est le sujet de l un des chefs-d oeuvre de la litterature antique. Si nous voulons juger ce bel ouvrage et nous rendre compte de l originalite de l auteur, nous devons nous demander d abord ce que lui fournissait la tradition et ce qu il a lui-meme invente. On affirme ordinairement que l Eneide est un poeme national et que c est un de ses principaux merites; pour decider jusqu a quel point cette affirmation est exacte, il faut bien que nous sachions d ou venaient les fables qui rapportaient l etablisement des Troyens dans le Latium, si elles etaient profondement entrees dans la memoire du peuple, et ce que le poete, en les racontant, rappelait de souvenirs chez ceux qui l ecoutaient: c est le seul moyen de connaitre si son oeuvre a jamais ete populaire. On voit donc que toute etude approfondie de l Eneide doit commencer par l examen de la legende d Enee.
