Not illustrated. 1891 Excerpt: .he should be able to hit the ball away with his fists. To do this successfully requires a lot of practice. It will thus be seen that team-work is essential to success, --individual play amounting to but little. Should the ball be kicked out of the side lines, a player on the opposite side from the man who kicked it out is permitted to throw it as far as possible in the direction of his opponent s goal. If a player should touch the ball with his hands, the opposite side is entitled to a free kick from where the ball was touched. For the first five years of its existence the Association game was purely amateur in its character; but afterwards the rivalry among the various clubs for the best players became so great that professionals were engaged to take the place of the amateurs....
