

Solve Your Children s Math Problems: Quick and Easy Lessons for Parents

By Patricia D. Nordstrom

Simon Schuster Ltd, United Kingdom, 1994. Paperback. Book Condition: New. 223 x 139 mm. Language: English . Brand New Book ***** Print on Demand *****.Many parents, with the best of intentions, are faced with a common problem. Seeing their children struggling with maths homework, they try to help, only to find themselves stumped - gazing at formulas and problems long forgotten, or at unfamiliar methods of terminology. Organized in a simple easy-to-use format, this book reviews maths procedures, explains what is new in maths and teaching techniques, and defines maths terms. Throughout the book sample questions and answers provide a self-testing feature, based on the National Council of Teachers of Mathematics guidelines. The book covers the entire mathematics curriculum through middle school including: operations with whole numbers and fractions; decimals, percentages and ratios; and geometry and measurement.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
