Rebecca shook the reins and Susan held on. The horse lunged forward down the midway, which was quickly turning into a roaring inferno. The oaks were completely engulfed in flames. Then a huge roar came from burning timbers and falling rails! The roller coaster was beginning to collapse, throwing up a blazing fountain of fire and sparks. Rebecca kicked the horse harder, urging it forward, and then a powerful gust of wind blew open the crack large enough to allow a horse and rider to pass through. Follow two teenage girls on a terrifying adventure that has led them up to this point. It is not flames they are fleeing from, but an evil power that created the amusement park in the first place. Before they can escape, a heart wrenching sacrifice must be made.
