

Valuation of Companies in Emerging Markets: A Practical Approach (Hardback)

By Luis E. Pereiro

John Wiley and Sons Ltd, United States, 2002. Hardback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****. A comprehensive guide focusing on the valuation issues for emerging markets Valuation of Companies in Emerging Economies takes a practical, step-by-step approach to valuing both public and closely held companies in emerging economies for merger or acquisition purposes. These extremely volatile markets present their own special set of challenges, which often differ from country to country. The author provides real world, best valuation practices in both developed and emerging markets and offers links to relevant Internet resources to provide CEOs, CFOs, venture capitalists, and financial analysts with the information they need to accurately value companies around the world. Luis E. Pereiro (Buenos Aires, Argentina) is a consultant who has steered several strategic change projects in multinational corporations such as Bank of America, Union Carbide, and Nissho Iwai. He is Interim Dean of the Universidad Tocuato Di Tella, Buenos Aires, as well as Director of its MBA program and Director of the Center for Entrepreneurship and Business Venturing. His numerous articles have appeared in many prestigious business journals and books. Over the years, financial professionals around the world have...

Reviews

This composed book is great. It is actually loaded with wisdom and knowledge It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Lucious McDermott

The publication is fantastic and great. It can be rally exciting throgh reading period of time. I am just very happy to inform you that this is the greatest publication i actually have read in my very own daily life and could be he very best ebook for at any time. -- Prof. Alvis Wuckert
