Animal Messenger Pub, 2004. Soft cover. Condition: New. 1st Edition. A new book that is unread and unmarked except to be signed by the author. Keiko's never-before-told true story based on his communications with Bonnie Norton. Although a gallant attempt was made to return him to the wild, Keiko repeatedly communicated his desire to be with people. Keiko Speaks is a chronological account of Keiko's conversations beginning with Bonnie's first visit to see him at the Oregon Coast Aquarium in 1997. Their relationship continues through Keiko's four years in Iceland, his amazing swim to Norway and finally, his last communication in 2003, again asking that he be allowed to be with people. From Keiko's perspective, hear how he felt about being set free, his words of wisdom about people and animals, and his "Message To The World." Keiko was a magical being who touched the hearts and lives of millions of people around the world, and now may touch yours. Signed by Author(s).
