Cookie O Gorman, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Seventeen-year-old Snow-Soon Lee kicks ass--literally. She teaches at her family-owned martial arts gym, The Academy, and cares more about training to be the next Bruce Lee than hooking up. In fact, Snow s never even been kissed. But when Girls Night rolls around, Snow decides to prove to her friends (and herself) that she s not just some boring tomboy. Impulsively, she kisses a hot stranger and even manages to escape his two security guards. One stolen kiss. Ash Stryker s senior year sucks. His politician father pulled him out of Chariot High, separating him from his championship-winning soccer team. Now he s stuck at a prissy private school with no friends, no team and no chance of being scouted. On top of that, thanks to the death threats his dad s received, Ash has a security tail aka professional babysitters. When the mystery girl from the movies shows up at his school, rappelling from the rafters, Ash knows one thing: he won t let her get away again. One interesting job proposition. After a seemingly random attack, Ash s mother surprises everyone. She hires Snow to be Ash s personal bodyguard until after the election. But can Snow s kick-ass skills hold up against the rising threats to Ash s family? More importantly, can Ash convince his ninja girl to screw ethics and kiss him again? Opposites attract in this YA romance where a smooth talker meets his match in the tough girl who (literally) sweeps him off his feet. Moral of the story: Sometimes even bad boys need a bodyguard.
