This book is written for those who understand that they can achieve success through a positive mental attitude, but are ready to go beyond visualisation and are looking for a practical guide in making the transition from visualisation to actualisation of becoming successful people. At almost twice the length of competing books in its genre, Millionaire Mindset will not only guide you though the most important traits and habits of millionaires it contains a bonus section with practical ideas that is the length of most ebooks in the genre, providing exceptional content and unsurpassed value for money. This book will help you master the game of money. The Problem with most success books Most success books focus only on positive thinking. Readers are often left charged and rejuvenated but after years of thinking to grow rich, sometimes very little progress is made in life. The majority of other books in this genre contain the same recycled content (law of attraction). This book is different, this books is...
