Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My book, Confessions of a SPED Teacher, is about my personal experiences. Now, this book is NOT a beat down on general education teachers. My purpose is to give you an inside look on my life as a special education teacher. I hope that my experiences will give you an insight on how I exist in two worlds. I say, two worlds because I exist in the special education world and the general education world. Why are there only ten confessions? Well, it is because I know most special education teachers have IEPs to write. I know, I have few to write right now! On a serious note, my ten confessions are topics that I hope to change with your help.
