Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Backpacking with Dracula is my quest to explore fact, legend and fiction (and the copious, delectable gray areas), sifting through the sometimes fantastic stories about the mercurial Prince Vlad the Impaler Dracula and modern confusion with the vampire Count Dracula. As I peel away these layers, I ll share my accumulated knowledge of modern day Romania, where I lived and traveled for a cumulative two years while researching multiple editions of Lonely Planet guidebooks.
